

Things that need to be done:

- Client side global score board-Andres
- Incorp server side to global score board-Emma
- Multiplayer client side-Emma
- growing/shrinking n-gon complete with different colors/paddle -Kyle
- Ball subtraction/addition
- Waiting lobby?
- Testing-everyone

Next milestone is on a plan for testing, and is coming up (due monday at midnight) -Connor can help work on it (not alone, will need other people to help)

Zoom meeting to work: Sunday @ 3pm
